

“Automatic transmission skills = unrestricted CDL” vs restriction-code detective

Force written **whether auto-only skills produces a restriction** (copy their code language only — e.g. E or other) when the pitch says unrestricted.

Invents no restriction codes as facts. Pairs auto vs manual skills + skills-pass vs CDL issue. Independent — not FMCSA. **Not legal advice.**

- **Order:** unrestricted pitch → written restriction language → this detective → deposit.
- Auto skills ≠ unrestricted unless their writing says so.
