

“Class A automatically includes Class B” restriction myth strip

Force written **which class / endorsements the CLP or CDL actually carries** vs a pitch that “A covers B.” Invents no restriction codes. Pairs auto vs manual skills + passenger vs school-bus route. Independent — not FMCSA. **Not legal advice.**

- **Order:** written class on permit/license → this strip → deposit.
- “A covers B” is not a substitute for what’s printed on the credential.
