

CLP fail / wait-period calendar

Map **your state's** knowledge-test wait rules (you copy from the DMV site) onto retest dates *before* re-paying a school. We invent no wait periods. Independent — not FMCSA. Not a DMV publication. Not legal advice.

- **You fill** wait days from the official DMV / handbook page for your CLP state.
- School “guaranteed pass” talk does not override state wait rules.
