

“CLP is good until you finish the program” vs written CLP-validity-owner strip

Force written **CLP validity relative to the skills attempt** when the pitch says the CLP lasts the whole program. Invents no CLP month counts. Pairs CLP skills window + skills-pass vs CDL issue. Independent — not FMCSA.

Not legal advice.

- **Order:** whole-program pitch → written validity owner → this strip → deposit.
- Program length ≠ CLP validity unless their writing says so.
