

“Company-sponsored training means they keep your CLP” vs company-holds-CLP ownership fork

Force written **who holds / owns the CLP** when the pitch says company-sponsored training means they keep it. Invents no CLP ownership rules. Pairs company CLP ownership + CLP whole program. Independent — not FMCSA. **Not legal advice.**

- **Order:** company-keeps-CLP pitch → written holder/owner → this fork → deposit.
- Company-sponsored ≠ company holds CLP unless their writing says so.
