

# “Your ELDT from any provider is good forever” vs ELDT-completion-window strip

Force written **whether ELDT completion has a usable window before skills** when the pitch says forever. Invents no ELDT expiry days. Pairs knowledge-fail≠ELDT-reset + ELDT provider split. Independent — not FMCSA. **Not legal advice.**

- **Order:** good-forever pitch → written usable window → this strip → deposit.
- ELDT completion ≠ forever unless their writing scopes a window.
