

Out-of-state domicile / CDL issuance trap

Force **home-state vs training-state** issuance path before deposit. Pairs OOS testing transfer + CLP fail wait. Invents no domicile rules. Independent — not FMCSA. **Not legal advice.**

- Copy domicile / issuance rules from your state DMV — not school marketing.
- Pairs [OOS testing transfer](#) when skills state ≠ CLP state.

Refuse if...

- School won't put issuance state in writing beside the training state.
