

# “Out-of-state ELDT transfers with your CLP automatically” vs OOS-ELDT-transfer fork

Force written **whether ELDT completion follows the trainee across domicile** when the pitch says it transfers with the CLP automatically.

Invents no ELDT transfer rules. Pairs ELDT completion window + OOS transfer retest. Independent — not FMCSA. **Not legal advice.**

- **Order:** automatic-transfer pitch → written ELDT-across-domicile language → this fork → deposit.
- OOS ELDT ≠ automatic CLP transfer unless their writing says so.
