

“Out-of-state medical card is always accepted here” vs OOS-medical-accept-state-list strip

Force written **state acceptance of an out-of-state medical card** when the pitch says always accepted. Invents no medical expiry rules. Pairs OOS medical accept + medical once vs expiry. Independent — not FMCSA. **Not legal advice.**

- **Order:** always-accepted pitch → written state acceptance → this strip → deposit.
- “Always” ≠ accepted unless their writing scopes this state.
