

“Out-of-state CDL transfers with no retest” vs transfer-retest detective

Force written **whether skills/knowledge retest is required** for the trainee’s transfer plan when the pitch says out-of-state CDL transfers with no retest. Invents no transfer rules. Pairs domicile CLP fork + interstate transfer timing. Independent — not FMCSA. **Not legal advice.**

- **Order:** domicile / transfer plan → written retest requirement → this detective → deposit.
- “No retest” is not proof until the transfer plan is written for *this* trainee.
