

“Fail skills once and the school retests you free forever” vs skills-retest-policy window detective

Force written **how many retests / whose fee / what window** when the pitch says free forever. Invents no retest fee tables. Pairs retest fee ownership + skills cancel fee. Independent — not FMCSA. **Not legal advice.**

- **Order:** free-forever pitch → written retest policy → this detective → deposit.
- Skills fail ≠ free-forever retest unless their writing says so.
