

“Third-party tester results post to DMV the same day you pass” vs thirdparty-result-posting fork

Force written **posting / issue steps still owed after third-party skills pass** when the pitch says same-day DMV. Invents no posting day rules. Pairs third-party vs school examiner + skills pass same-day issue. Independent — not FMCSA. **Not legal advice.**

- **Order:** same-day-posting pitch → written posting/issue steps → this fork → deposit.
- Third-party pass ≠ same-day DMV post unless their writing says so.
