

“Third-party tester is the school’s examiner” vs independent-examiner detective

Force written **examiner identity / affiliation** when the pitch collapses a third-party tester into school staff. Invents no examiner rules. Pairs third-party tester + examiner truck split. Independent — not FMCSA. **Not legal advice.**

- **Order:** school-examiner pitch → written examiner affiliation → this detective → deposit.
- Third-party tester ≠ school staff unless their writing says so.
